Subject: Talking Points Slides for AAPCO on March 9th

Hello Dans:

Here is what I have so far for EPA-internal talking points slides for the AAPCO conference next week on March 9th. There are three main slides, one summarizing the 2020 decision and two Q and A slides. The rest of the presentation is title and back pocket slides.

The 24c language is pulled mostly from the current draft of the 24c Qs and As that Maya is taking the lead on.
